Learn business
and wildlife habitat
management basics
with expert speakers
and a field session.

Learn

- How to manage your land's resources
- How to market your enterprise
- What cost-share programs are available
- How to reduce your liability
- About different types of enterprises

The afternoon session is held in the field, where you will view examples of enterprises and learn about wildlife habitat management practices. Resource materials, lunch, and refreshments will be provided.

Morning presentations

- Economics of enterprises
- Liability and legal considerations
- Understanding clientele preferences
- Business management
- Marketing your business
- Enterprise development.

Afternoon field trip

- Wildlife habitat management
- Forest management for wildlife and profit
- Wetland and waterfowl management
- Wildlife watching
- Recreational trails
- Lodging opportunities on rural lands
