## Learn business and wildlife habitat management basics with expert speakers and a field session.

## Learn

- How to manage the resources on your land
- How to market your enterprise
- What cost-share programs are available
- How to reduce your liability
- About different types of enterprises

The afternoon session is held in the field, where you will view examples of enterprises and learn about wildlife habitat management practices. Resource materials, lunch, and refreshments will be provided.

## Morning presentations

- Owner experience
- Revenue potential from natural resource enterprises
- Landowner cost-share programs
- Liability and legal considerations
- Marketing your enterprise
- Special topics

## Afternoon field trip

Wildlife habitat conservation and management and enterprise development (weather permitting)

- Wildlife habitat management
- Outdoor recreation
- Fisheries management
- Camping and lodging
- Forestry management

## Register early
