## Learn business and wildlife habitat management basics with expert speakers and a field session.

### Learn

- How to manage your land's resources
- How to market your enterprise
- What cost-share programs are available
- How to reduce your liability
- About different types of enterprises

The afternoon session is held in the field, where you will view examples of enterprises and learn about wildlife habitat management practices. Resource materials, lunch, and refreshments will be provided.

### Morning presentations

- Economics of enterprises
- Liability and legal considerations
- Conservation and cost-share programs
- Business management
- Fee hunting (Hunting leases)
- Marketing your business
- Historical tourism

### Afternoon field trip

Wildlife habitat conservation and management and enterprise development

- Tour of Barland Farms
- Examples of other recreational businesses
- Livestock management and outdoor recreation
- Wildlife habitat management
