Learn business and wildlife habitat management basics with expert speakers and a field session.

Learn

- How to manage the resources on your land
- How to market your enterprise
- What cost-share programs are available
- How to reduce your liability
- About different types of enterprises

The afternoon session is held in the field, where you will view examples of enterprises and learn about wildlife habitat management practices. Resource materials, lunch, and refreshments will be provided.

Morning presentations

- Revenue potential from natural resource enterprises
- Landowner cost-share programs
- Liability and legal considerations
- Marketing and understanding clientele preferences
- Owner experiences: a real life example

Afternoon field trip

Wildlife habitat conservation and management and enterprise development

- Wildlife habitat management
- Deer and turkey management
- Fee fishing enterprise
- Wildlife watching and birding
- Nature trails

Register early
